

GET UP TO \$300 FOR AN SPS TRAVEL, REPORTER, OR RESEARCH REPORTER AWARD!

Travel and reporter awards can be used for zone meetings, regional meetings, national conferences, and **now visits to national labs!**

TRAVEL AWARDS:

Travel and present your research at professional physics or astronomy meetings. Just show proof of abstract acceptance and poster presentation!

REPORTER AWARDS:

Attend a professional physics or astronomy meeting and write about your experience. Reporters will have the opportunity to have their article published in *The SPS Observer* or *Radiations*.

RESEARCH REPORTER AWARDS:

Travel to a national lab for professional development or to use their equipment. Receive this award by writing about your experience and the research you're working on!

For more information and eligibility requirements, visit spsnational.org/awards
